SUN S|Series 6 Pcs
NON-STICK COOKWARE

This well designed SUZUKI cookware set is suitable for all types of cookers. Their smooth touchable handle covers make you feel great while using. They are roomy enough to contain proper portion of food. One of the pieces is called pan-pot with a unique size and wide pouring edges for drip-free pouring. All the pieces has a marble PTFE coating inside, which is thicker than usual and silicon cover outside. Their heat resistance is up to 300°C.
